

Instruction Sheet # 10014782

Drawer Kit Assembly Instructions “L” Unit

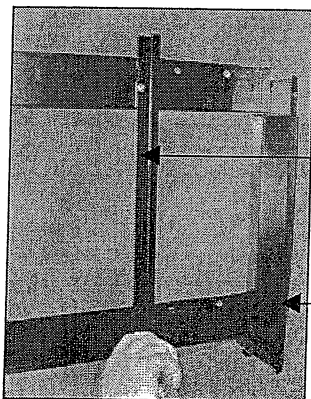

Note: Slatwall shown in this picture is optional

Parts:

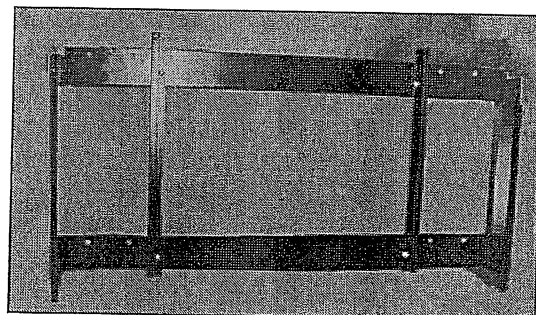

Base from
“L” unit
(B)

1

Using Screws (dB), attach Drawer Tracks (dC) to the inverted Base (B).

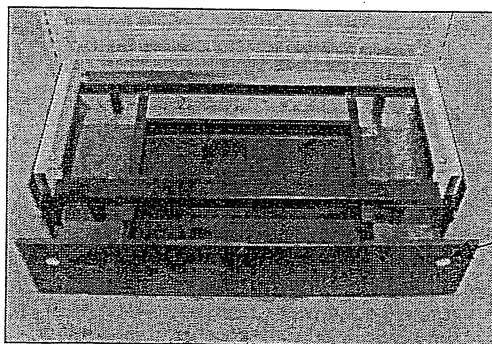

2

After Drawer Tracks are secured to the base, complete steps 1-4 in the Basic "L" Unit Assembly Instructions.

3

Instead of attaching the kickplate in step 5 of the Basic "L" Unit instructions; slide Drawer (dA) onto drawer tracks.

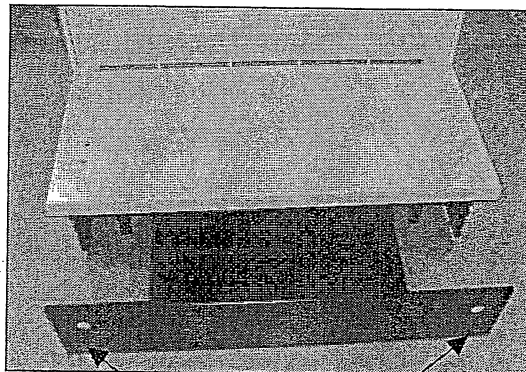

dA

4

Finish completing unit according to Basic "L" Unit Instructions.

Your Drawer Kit is complete.

To open drawer, use round finger holes on front panel. (See picture).
