Drawer Kit Assembly Instructions “T” Unit

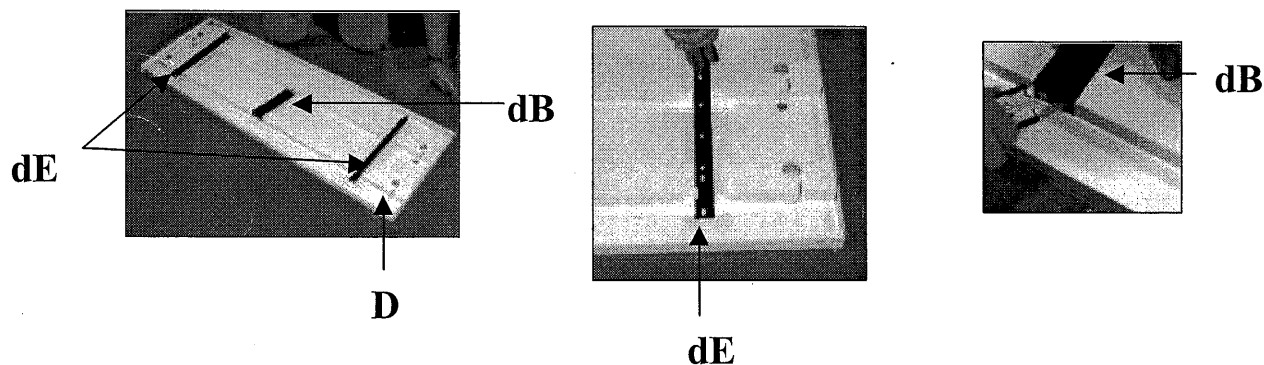

Note: Slatwall shown in this picture is optional

Parts:

1

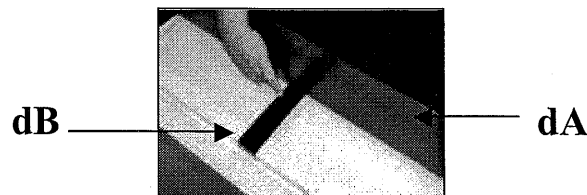

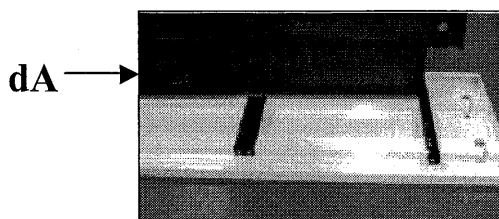

Arrange Drawer Catch (dB) and both Tracks (dE) on the inverted Base Shelf (D). Using Screws (dC), fasten Catch and Tracks to Base Shelf.

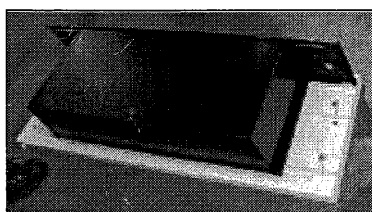

2

Slide Drawer (dA) onto tracks. Using finger, press the loose end of the Drawer Catch (dB) underneath the Drawer (see picture).

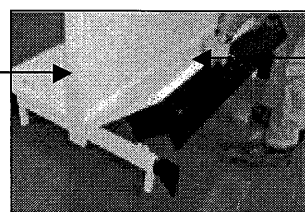

3

After Drawer (dA) is completely onto tracks as shown, turn over and hook Base Shelf (D) onto "T" unit.
